

Bliss Hospital and Medical Centre cleaning

Bliss specialises in Medical Centre Cleaning throughout Melbourne and all the surrounding suburbs using environmentally friendly cleaning products. We can even go chemical free and still kill germs and bacteria with our Active Ion cleaning. Give us a call and we can explain how it works.

Bliss will only use the trained cleaners and we know that Medical Centre Cleaning is very high detail and also high security environment. Our Medical Centre Cleaners must pass a current Police check and have a very stable background.
